Hi Misty,

Please join me and First Lady of Los Angeles Amy Elaine Wakeland at the inaugural State of Women and Girls Address and Young Women's Assembly at the University of Southern California (USC) on Tuesday, March 14, 2017.

At this event, we will celebrate the strides we've made in advancing the interests of women and girls throughout the City and set expectations for the road ahead. There will also be an Assembly for 700 young women from around Los Angeles, featuring a dynamic group of women leaders from a range of disciplines.

[*Amy and I are asking for your support as a volunteer at this important event. Please register by Friday, March 3 using this Eventbrite link. You do not need to be a woman to register.*](#)

- **Volunteer Training:** We ask that volunteers be available for a training in City Hall on March 8 at 3 p.m. During that training, you will receive specific instructions on your role and expectations.
- **Logistics for March 14:** On the day of the event, we ask that volunteers select from one of two shifts. The first shift will begin at 6:30 a.m. and conclude at 2:30 p.m. The second shift will start at 9:00 a.m. and conclude at 5:45 p.m. You will be able to select a shift when you register using the [Eventbrite Registration link](#) noted above. Volunteers will be given free meals and parking and will have the chance to enjoy this 'first of its kind' conference.

[*Remember, please register before March 3 – space is limited!*](#)

Let's empower the women and girls of Los Angeles!
